Budget estimates of the Palace Military Forces for 1905-06

With reference to the last para of this Office Memo No 161 of the 22nd March last I submit the Memo forwarded by the Officer in charge of the Palace establishments explaining the additional allotments of Rs 10000 provided by him for the Palace Military Forces for 1905-06. The increases are under the following heads:-

Band establishment----3252	
Feed of Body Guard horses----	1283
Contingencies- - - -	1500
Pensions - - - - - - -	1000
Total	10035

2. With regard to the Band establishment the above Officer explains that the strength of the Band establishment has been raised from 47 to 110 men and the cost from Rs 926 to 1447 per mensem thus

Such requisitions should not have been left for the last moment. This should be communicated to the Palace Officer. If H.H. has been pleased to pass any orders about the band the same may be reported to be sent by the Palace Officer. Intimate what you propose about pensions & the Palace Officer. The observations may be intimated to the Financial Secretary & Comptroller who added on to the State Budget.

Palace Infantry retired last year. I would suggest that as all pensions are paid by the State this item should disappear from the Palace Buaget any additional sum required being budgetted for by the Chief Commandant.

The Officer in charge of the Palace establishments has sent in estimates for the Palace Military Forces providing in his Budget for 1905-06 for an additional allotment of Rs 10000/- under the following heads:-

Establishment
Supplies
Contingencies
Pensions.

He has been asked for an explanation and his authority for making the provisions. Pending his reply the estimates for the previous year have been repeated.

thus necessitating an additional allotment being provided to meet the increased expenditure under this head. As this was personally done under His Highness' direct orders there will be no difficulty in sanctioning this amount.

6. Under Stables He has provided Rs 1864 over last year's grant to meet the extra cost for the feed and keep of the body guard horses owing to the rise in the price of grain. If the seasons are good [illegible] grain will probably sell at normal rates after February next. It is possible therefore that Colonel Fry considers the necessity for this item [illegible] unnecessary. A provision can however be made.

4. As regards Contingencies it is incorrect to say the estimate is based on previous year's allotment. Rupees only Rs 5500 has been provided under the head "Contingencies" not 6000/-. I propose reducing this to the latter amount.

5. Under Pensions the Budget allotment for 1904-05 is only Rs 6600 and not 7000/- as stated in the memo under reference, which the Officer in charge of the Palace establishments has raised to 7500 for 1905-06. The additional grant of Rs 1000 he extends is required to meet the pension of the Officers and men of the Palace infantry

Retired last year. I would suggest that as all pensions are paid by the State this item should disappear from the Palace Budget. any additional sum required beyond ~~that~~ be settled for by the C. C.
